

Imagining Characters: Six Conversations about Women Writers, 1995, Antonia Susan Byatt, Ignēs Sodre, 0099591219, 9780099591214, Vintage, 1995

In this innovative and wide-ranging book, Byatt and the psychoanalyst Ignēs Sodre bring their different sensibilities to bear on six novels they have read and loved: Jane Austen's *Mansfield Park*, Brontë's *Villette*, George Elliot's *Daniel Deronda*, Willa Cather's *The Professor's House*, Iris Murdoch's *An Unofficial Rose*, and Toni Morrison's *Beloved*. The results are nothing less than an education in the ways literature grips its readers and, at times, transforms their lives. *Imagining Characters* is indispensable, a work of criticism that returns us to the books it discusses with renewed respect and wonder.
