Operation Barbarossa, the attack on the Soviet Union, commenced on 22 June 1941. It became the biggest conflict in military history, with some three million German troops and about 900,000 allies facing almost 4.7 million Soviet troops. The effects would colour postwar European history for the next 50 years. This book examines the history of the conflict, and the organisation, uniforms and insignia of the German Army on the Eastern Front from 1941-43. The book contains numerous illustrations and photographs throughout, including eight fine full-page colour plates by Stephen Andrew.
